

24-HOUR TOWING AND ROADSIDE ASSISTANCE PROGRAM

HELP WHEN YOU NEED IT, WHEREVER YOU NEED IT

Maryland Auto has partnered with Nation Safe Drivers, a leading provider of roadside assistance, to offer 24-hour towing and roadside assistance to those who carry both comprehensive and collision coverage.

Whether you need a tow, jumpstart, or help with a lockout, you can call a Maryland Auto-dedicated, toll-free service number, and an emergency vehicle will come to your aid. Nation Safe Drivers uses pre-screened, local service providers to ensure the emergency service is safe and convenient.

Along with towing and roadside assistance, Nation Safe provides additional benefits, including discounts for car and RV rentals, automotive maintenance, repair services, and theme parks.

Adding towing and labor coverage to a comprehensive and collision policy provides peace of mind that no matter where you drive, Maryland Auto will be there to help you.
