Guaranteed.

Maryland Auto Insurance was created by the state of Maryland to help keep residents on the road legally, safely, and simply. We help you get the coverage you need to keep moving forward—in your car and in life.

If you have a valid Maryland driver's license—but you've been turned down by other insurance companies due to credit, driving record, or violations—we will insure you.

Maryland Auto agents. They're not just *like* other agents. They are other agents.

Maryland Auto agents are the same ones who sell insurance from those well-known companies (yes, the ones you see in TV advertisements). Purchasing a Maryland Auto Insurance policy works the same as purchasing a policy from another company. In fact, if you've bought auto insurance from an agent before, there's a good chance you can purchase a Maryland Auto policy from him or her—so be sure to ask your agent if he or she is an authorized Maryland Auto agent.

Maryland Auto has a network of more than 1,400 agents located throughout the state. Visit our website to locate an office near you.
